TriBeCa - Battery Park - FIDI

Three of New York City's most intriguing residential neighborhoods are located in Downtown Manhattan; Tribeca, Battery Park, and the Financial District. **Tribeca** with its original cobblestone streets and beautifully restored warehouses exude a laid back

European glamour. **Battery Park** is a popular planned community known for its LEED certified apartments and direct waterfront living. **FIDI** is composed of architecturally significant turn-of-the-century office buildings repurposed as modern finished

apartments. To find your new home in any one of these uniquely New York neighborhoods, contact Elaine Wong, New York Living Solutions, at ewong@nyls.net, 204-947-1288, for a personal or group presentation in your home or office.
